Nine Hundred Miles

Well I'm walkin' down the track, I got tears in my eyes
Tryin' to read a letter from my home

cho: If that train runs me right, I'll be home tomorrow night
'Cause it's nine hundred miles where I'm goin'.
And I hate to hear that lonesome whistle blow
'Cause I'm nine hundred miles from my home.

Well the train I ride on is a hundred coaches long
You can hear the whistle blow a hundred miles.

I will pawn you my watch, I will pawn you my chain
Pawn you my gold diamond ring.

Well if you say so, I will railroad no more
Sidetrack my train and come home.

10,000 Miles

I'm goin' away for to stay a little while,
But I'm comin' back if I go ten thousand miles.

Oh, who will tie your shoes ?
And who will glove your hands?
And who will kiss your ruby lips when I am gone?

Look away, look away over Yandro...

You've gone away for to stay for a little while,
But you're comin' back if you go ten thousand miles.

My father will tie my shoes,
And mother will glove my hand,
And you will kiss my ruby lips when you return

Look away, look away over Yandro...

A Capital Ship

(Charles Edward Carryl)

A capital ship for an ocean trip
Was the "Walloping Window Blind"
No wind that blew dismayed her crew
Or troubled the captain's mind
The man at the wheel was made to feel
Contempt for the wildest blow-ow-ow
Tho' it oft appeared when the gale had cleared
That he'd been in his bunk below

So, blow ye winds, heigh-ho
A-roving I will go
I'll stay no more on England's shore
So let the music play-ay-ay
I'm off for the morning train
To cross the raging main
I'm off to my love with a boxing glove
10,000 miles away

The bos'un's mate was very sedate
Yet fond of amusement too
He played hop-scotch with the starboard watch
While the captain tickled the crew
The gunner he was apparently mad
For he sat on the after ra-ra-rail
And fired salutes with the captain's boots
In the teeth of a booming gale

The captain sat on the commodore's hat
And dined in a royal way
Off pickles & figs & little roast pigs
And gunners bread each day
The cook was Dutch and behaved as such
For the diet he served the crew-ew-ew
Was a couple of tons of hot-cross buns
Served up with sugar and glue

Then we all fell ill as mariners will
On a diet that's rough and crude
And we shivered and shook as we dipped the cook
In a tub of his gluesome food
All nautical pride we cast aside
And we ran the vessel asho-o-ore
On the Gulliby Isles where the poopoo smiles
And the rubbily uddugs roar

Composed of sand was that favored land
And trimmed with cinnamon straws
And pink and blue was the pleasing hue
Of the ticke-toe teaser's claws

We sat on the edge of a sandy ledge
And shot at the whistling bee-ee-ee
While the rugabug bats wore waterproof hats
As they dipped in the shining sea

On rugabug bark from dawn till dark
We dined till we all had grown
Uncommonly shrunk when a Chinese junk
Came up from the Terrible Zone
She was stubby and square, but we didn't much care
So we cherrily put to sea-ee-ee
And we left all the crew of the junk to chew
On the bark of the rubabug tree
